

# Expanding to new horizons?

**Make sure that your international customers and business partners don't miss out on your message.**

Future-proofing your growth is easy as long as you've got the right localisation partner to support you and easily integrate into your infrastructure. Grow, expand and localise at once, in a truly global manner.

## Localisation Solutions

Implementing a better customer experience and providing seamless, culturally relevant content, adapted to suit any language pair.

- Translation
- Subtitling
- Transcription
- Transcreation

## Document Layout

Word lengths and misplaced graphics are no longer a problem. All publishing resources are leveraged, so that content looks right in any language.

- Formatting
- Recreation
- Pagination
- Same format delivery

## Customer Platform

Automated submission of translation requests, current projects and invoices on one single, easily accessible customer platform.

- Project track and trace
- Automated translation workflow
- Budget approval
- Multi-user license

## CMS Integration

Translating a website is a breeze, thanks to integrated solutions that offer a continuous flow of content and ensure a smooth localisation process.

- Sitecore
- Kentico
- TYPO 3
- WP
- AEM
- Drupal
- Marketo
- Hubspot
- Zendesk
- Salesforce
- Help Scout
